Preparing for Party Night | Bag & Transportation

Our Party Day Bag

A Christmas party at Magic Kingdom can be a long evening, especially if your family arrives early! Think about what you'll want to have handy for several hours in the park, including the trip back to your resort or car.

A few things to think about:

- **Florida weather:**
  A lightweight jacket for cooler evenings, a poncho if rain is possible, or anything that helps your family stay comfortable.
- **Phones & batteries:**
  A portable charger and charging cable, especially if you'll be taking lots of photos or using My Disney Experience.
- **Special family needs:**
  Medications, sensory comfort items, accessibility supplies, or anything your family relies on during a long park visit.
- **Holiday extras:**
  A place to safely store festive ears, accessories, or small purchases you might not want to carry in your hands all evening.
- **Little comforts:**
  Tissues, wipes, or other personal essentials that make a late night easier.

EARLY ENTRY — GUIDANCE & PLAN

Making the Most of Early Entry — 4:00 to 7:00 PM

Your party ticket allows entry beginning at 4:00 PM, before the 7:00 PM celebration. Use those hours to get settled, enjoy regular attractions, have dinner, or try a high-demand greeting. Most party-only entertainment begins later.

A FEW THINGS TO THINK ABOUT

Entry & wristbands:	Allow time for security, admission, your party wristband and the event map.
Jack & Sally:	If this greeting is a priority, consider joining the Town Square Theater queue early. Waits can be very long; early queue access is not guaranteed.
Dinner first:	A meal before 7:00 can leave more of the party for special entertainment.
Regular rides:	Choose one or two favorites if there is time; save party-exclusive experiences for later.
A favorite snack:	Regular snack locations may be open; do not assume event-only treats start early.
Family comfort:	Take care of restrooms, strollers, breaks, and device charging before the party.

OUR EARLY ENTRY PLAN — 4:00 TO 7:00 PM

Write your own times, activities and locations; there is no required schedule.

Our first priority: _____

PIXIE PACKED TIP You don't have to do everything before 7:00. A relaxed family ready for the party may enjoy the night more than one rushing from place to place.
