Disney Jollywood Nights 2026

Spruce Up Your Jollywood Style!

Disney Jollywood Nights brings a little old-Hollywood glamour to Christmas! With festive decorations, red-carpet moments, and plenty of holiday photo opportunities, Disney encourages guests to "don your holiday best!"

And some guests really embrace the occasion! Think sparkling accessories, vintage-inspired outfits, festive dresses, dressy shirts, holiday colors, and a little Hollywood glamour.

But dressing up is completely optional. A favorite Christmas shirt, comfortable park outfit, or matching family accessories can be just as fun!

Whatever your family chooses, remember that you're still spending several hours walking around a theme park. Comfortable shoes, Florida's changing evening weather, and Disney's attire guidelines are worth keeping in mind.
